November 1, 2020 **Building God's Kingdom from Within** Text 'BGK'

More than just a capital campaign, it is a call to deeper conversion in worship of God in spirit and truth, physically and spiritually relaying that Jesus is indeed, truly present here. This interior renovation and beautification of our sanctuary and church will strengthen our communion with the Lord, and evangelize current and future Catholic generations. The space constructed where our parish family joins together has served us well; now it is time to fulfill our original vision by renewing, elevating and glorifying God in this space, which will serve us to be family in life eternal.
